

IPO Annual Meeting September 24-26, 2019

Continuing Legal Education Information (CLE)

CLE credit is being requested in every state in which attendees are licensed to practice that has a mandatory CLE requirement. The number of credit hours will vary depending on the requirements of the individual state. IPO's Hardship Policy is available upon request. IPO expects that most states will award 10-14 CLE hours, include 1-2 hours of ethics.

IPO will begin applying for CLE credit in August. Once approved, IPO will post the total number of credits granted in the table below. Please check back frequently for updates.

If the "number of credits granted" column is blank, accreditation has not yet been applied for in that particular state. If the "number of credits granted" column says "pending," accreditation has been applied for and is pending approval.

NOTE: States that do not appear on the list below do not have MCLE requirements.
